

Space City Jam Tournament Program: Business, Family, and Friends Advertisements Information Sheet

This tournament program will go into production in December, but in order for the ad sales to count towards your fundraising totals, you will need to sell these ads before November 6th.

1. We are excited to be putting on our 12th Annual Space City Jam basketball tournament January 17-19, 2019. We expect that this will be our biggest and best tournament ever, and we are expecting 750 players, 150 coaches and refs, and some 3000 spectators from around the state as well as some traveling in from out of state, to be in attendance.
2. Using the Ad Sample sheet provided, seek out a company or family/friend to sponsor an ad in our Space City Jam tournament program. Also, this is a great way for family and friends to publish an encouraging and supportive message for their special player.
3. Fill out the form. **Make sure the player's name and team are on the form.** Obtain the digital artwork, photograph or ad. Any ad creation that needs to be designed by HHA will cost an additional \$15.
4. Sample Sheet of ad ideas is attached.
5. Submit the above information to Cara, no later than November 1st for it to count towards the fundraising contest.
6. Any ads sales that are not to be used for your personal fundraising contest must be submitted to Cara by November 30th.
