

Houston Homeschool Athletics

HHA is a 501(c)3 organization
May 2017

Program Information, Policies, Codes of Conduct

Introduction

Houston Homeschool Athletics (HHA) was formed to provide amateur competitive sports for homeschooled children, ages 8 to 18. HHA will provide, under Christian leadership and guidelines, competition with teams from other programs -homeschool, private school, and public school.

Statement of Belief

HHA is a Christian organization. All directors, coordinators, administrators shall agree to and sign the statement of faith, and are expected to follow Biblical guidelines for personal behavior. HHA Statement of Belief:

- The Bible is the inspired and infallible Word of God and constitutes completed and final revelation. The Bible, in its original autograph, is without error in whole and in part, including theological concepts as well as geographical and historical details.
- God has existed from all eternity in three persons: God the Father, God the Son, and God the Holy Spirit. Jesus Christ was God come in human flesh being fully God and fully man, except without sin.
- All men are in violation of God's righteous requirements and His holy character both by nature and by act, and are therefore under His wrath and just condemnation. The purpose of the coming of Jesus Christ was to pay the penalty for man's sin through His death on the cross and His subsequent visible, bodily resurrection.
- Salvation is offered as a free gift to the sinner. This gift must be responded to in individual faith, not trusting in any personal works whatsoever, but in the sacrificial death and resurrection of Jesus Christ alone.

Mission Statement

HHA's mission is to compete in amateur sports at the highest level and in a Christ-like atmosphere. We are a parent run, family oriented organization that wants to encourage and develop all kids, of all levels, not only in their athletic endeavors, but in their over-all development as young men and woman.

Forming Teams/Coaching

A team for a particular age group will be formed when we have the appropriate number of children of the same age/gender, a coach, and a team parent. Information will be required to allow HHA to pay for a background check on all prospective coaches.

Coaching: Sufficient knowledge of the sport is important. Prior experience playing the sport is a plus but not essential. We will conduct coaching clinics to acquaint all coaches with HHA's policies and philosophies along with as much instruction as time allows on how to teach fundamentals. Our desire is to have continuity among all teams, both in teaching the fundamentals, and the overall game approach.

Playing Time, Team and Individual Practice

The mission of HHA is to compete in competitive youth sports at the highest level in a Christ-like atmosphere. Participants must realize that in competitive play, there is no guarantee for a minimum amount of playing time. The goal is to provide all participants ample opportunity to be trained and to develop their talents. At-home individual practice is critical to homeschool athletics. In many instances, we will be competing against teams that practice daily. Your coaches and teammates are counting on you to work at home, in addition to team practices.

All participants are expected to attend all scheduled practices and games. If extenuating circumstances occur, or you are aware of planned absences (vacation, etc.), you are expected to notify your coach as soon as you know you will be absent. Coaches will consider faithful attendance when weighing the merits of game playing time.

Facilities: Gyms, Fields, Meeting Rooms

If you have access to a gymnasium, field, or other facility that we might use for free or low-cost practices or meeting location, please let us know.

HHA Board of Directors

Financial Policies

Operating Funds: HHA sports rely primarily on player participation fees and volunteers to run the sport programs. The majority of each sport's expenses occur within the first 1 or 2 months of the season; therefore, timely payment of fees is required.

Administration: There may come a point when each sport will be required to make an annual contribution to the overall administrative fund to support program-wide expenses: website, accounting, income tax returns, advertising, state/federal documentation, and general administration. Currently, these expenses are shared among programs as necessary.

Donations: HHA is a 501(c)3. Any individual or company may make a monetary or in-kind donation and receive a tax deduction. A receipt will be provided if requested. Kroger supports HHA. Registering your Kroger card online and selecting HHA as the non-profit organization you would like to support is all that is required. Instructions can be found on HHA's webpage under "Fundraising/Donations".

Volunteering: We appreciate volunteers and all volunteer efforts are necessary to make HHA a success. Many companies sponsor the volunteer efforts of their employees by making monetary donations to the charitable organization. If your company has a program like this, please let us know what information we need to provide.

Fundraising: In order to keep fees as low as possible, we offer fundraising opportunities for our players. Each player is required to raise the minimum amount indicated each season for their sport, and is encouraged to raise over and above the requirement.

Scholarships: Scholarships are available for families that can demonstrate financial need, and HHA is required to follow judicial guidelines when appropriating them. In general, a family will not be able to receive more than 1/2 of the player

fee as scholarship and all players MUST pay the registration fee before being considered for a scholarship. HHA asks that scholarship recipients take a more active volunteer role in the sport from which they receive scholarship funds. The administrator for your sport always needs help with many tasks that support the organization.

Paid Positions: HHA operates mostly with volunteer positions to run the organization; however, we may pay coaches, administration, accountants, and other professional positions to facilitate a professional and competitive atmosphere. Any paid positions would be disclosed in the company financials.

Player's Code of Conduct

All players, coaches, parents and fans must abide by the following code of conduct when attending or participating in any HHA function. The actions of each person reflect on the entire homeschooling community. Players must:

1. Demonstrate Godly character qualities at all times at or away from HHA functions.
2. Strive to develop their God-given gifts in character, academics, and athletic skill.
3. Maintain a "C" or better school grade average during each month that they participate in the regular season for their sport for HHA.
4. Honor those in authority including coaches, parents, and officials by accepting at all times their decisions without argument, grumbling, booing, or gesturing of any kind.
5. Honor their teammates by submitting to the greater good of the team at the expense of their own ambitions.
6. Honor their teammates by giving them encouragement and by trying to develop an attitude that places others' needs before their own.
7. Use wholesome language, and not maliciously talk to or about teammates, parents, coaches or officials. Treat others as they wish to be treated.
8. Honor their opponents by playing their best while not engaging in taunting, baiting, or ridiculing of any kind.
9. Submit to HHA and team rules for travel, dress, and behavior.
10. Be at all practices and games, and notify the Coach as soon as possible if they will miss. Players understand that missing a game or practice without notice or without reasonable explanation is grounds for discipline.
11. Not initiate physical violence or contact with another when the player knows or should reasonably believe the other will regard the contact as offensive or provocative.
12. Not use performance-enhancing drugs (PED), tobacco, alcohol or any other controlled drug in an illegal manner.
13. Not post, submit, send, or publish inappropriate, slanderous, derogatory, sexually suggestive, sexually explicit, or any form of negative comments, photos, texts, etc. to any electronic, public or private entity which includes, but is not limited to Facebook, Twitter, MySpace, YouTube, personal emails, personal web pages, personal or private chatrooms, personal texting/cell phone numbers or accounts. Sending any form of inappropriate item as enumerated above will not be tolerated regardless of the intended recipient. Once sent, consequences designated by the coach in conjunction with HHA Board will occur
14. Understand that all players are subject to disciplinary action for violating this code of conduct (up to and including permanent suspension from HHA) at the discretion of the HHA director of the sport and/or the HHA Board of Directors.

Player's Dress Code

The dress code is for all HHA functions including games, practices, tournaments, parties, and other miscellaneous activities (except as noted). The dress code is designed to promote teamwork, to minimize individual attention, and to minimize safety issues with certain accessories. The main goal is not legalistic, or attempting to create laws for the sake of the laws. The codes are meant to prevent provocative clothing that would cause another to stumble, to create an atmosphere of program unity, and to help prevent injuries from hair and other jewelry. Also, we have to follow UIL and TAPPS and other organization dress codes, as we typically play teams that are in those leagues. Items not listed do not mean license for the player to dress inappropriately--*the Sport Director's or Head Coach's decision regarding the dress code is final.*

No jewelry of any kind at games or practices.

No radical hair coloring or hairstyles unless approved (spirit hair may be allowed).

No droopy shorts or pants.

No advertising on any clothing that depicts alcohol, drugs, tobacco, violence, sexual innuendo, profanity, mysticism, the occult, evil, gangs, or worldly personalities or themes.

No visible mid-drifts.

Modest dressing at all functions: no spaghetti straps, see-through clothing, or short shorts.

Jerseys tucked in for all games (basketball).

Matching navy blue or white short-sleeve t-shirt allowed under HHA uniform game jersey.

For boys:

Modest facial hair; No piercing jewelry at practice/games.

For girls:

Ear-piercing jewelry allowed at functions other than practices/games.

No hair hardware at practices or games (safety issue).

Parental Involvement

HHA is reliant on family involvement and participation, and we encourage our families to get involved where they have gifts and abilities. Volunteerism is critical to the organization's success, so please let leadership know where you can serve, whether it is to help with scorebook or game night set-up, or help organize various sports tournaments or meets, such as Space City Jam, or take pictures for the organization, or any other areas that you can think needs attention. We appreciate your willingness to serve!!!

Areas where we need volunteers include the following:

- Coaching
- Fundraising
- Help coordinate for Space City Jam basketball tournament
- Help coordinate for Space City Jam cross country meet
- Spirit Wear
- Uniforms
- Scorebook
- Keeps times and distances for track and cross country.
- Assist at practices.
- Photographer
- Social Media Posting
- Website maintenance and updates
- Post announcements on homeschool sites
- Represent HHA at homeschool expos or conventions
- Provide Spirit Support for your son's or daughter's team
 - Plan social gatherings for the team, spirit items like posters, pom poms, stick horses, and more
- Be the Team Mom for your son's or daughter's team
 - Help with directions and carpooling
 - Work with the Coach to oversee the logistics of the team
 - Collect and hold players' cell phones (if necessary)
 - Help confirm games with schools
- Spiritual leadership team

Homeschool Definition, Grade Declaration, and School Conduct

- HHA requires that all player participants are homeschooled. A student should be homeschooled for the entire year in which the participate in HHA sports.
- HHA requires that each student demonstrate good character as outlined in the Player's Code of Conduct, and as required by the player's coaches and parents.
- HHA asks that each student maintains a grade C or better average (2.0 on a 4.0 scale) for each course to be allowed to play in upcoming games. Parents, however, are the ones who determine academic eligibility.

Definition of a Homeschool Student-Athlete

"Homeschooling" is defined to mean that a student's education is parent-directed. The parents shall be involved in their child's education, assuming the role of principal or headmaster and (1) setting the date and requirements for high school graduation; (2) selecting and approving course materials and study schedules; and (3) selecting tutors, correspondence courses, videos, computer courses, and similar resources for their child's education.

The Role of Outside Institutions

- **College Classes:**

A student may have the opportunity to take dual-credit college courses, particularly in his/her junior or senior year. Such enrollment is encouraged, and the definition above shall not be construed to mean that such students are not homeschooled if the participating college admitted the Homeschool student as a high school student. However, the student may not take enough courses to be deemed a "Full-Time Student" by the college or university.

- **Private and Public Schools:**

Full-time enrollment in a traditional public or private school is not homeschooling because the child's education in such schools is not parent-directed. A player that attends a private, public, charter, or university-model school full-time is not eligible in Homeschool divisions. For part-time students at these types of schools, the student must be considered "homeschooled" as defined by the State of Texas.

- **Coop and Umbrella Schools:**

The participation in a cooperative school, and/or an umbrella school can create some questions. In some states, "Homeschool students" are required by law to attend a private school and, in such cases, cooperative or umbrella schools are formed for this purpose. These schools, whether called cooperative, umbrella, or "private," are characterized by significant and direct parental involvement, often simply representing different forms of homeschooling within a group of like-minded families. In such cases where the student-athlete meets the definition of Homeschooling and is involved in a coop and umbrellas school, he/she is deemed eligible.

- **Vocational Classes:**

In some states, "Homeschool students" are permitted to take classes at vocational schools. However, the student may not take enough courses to be deemed a "Full-Time Student" and considered "homeschooled" by the parents, school and State of Texas.

Co-Ed Teams

Co-ed teams are not allowed for basketball or volleyball.

Transfer Students

Any student who transfers from a public school, Christian/private School, or another Homeschool team and is under disciplinary action(s) may have to wait one (1) year before he/she is eligible to participate in any NCHBC activity or play against other Homeschool teams. Houston Homeschool Athletics will keep a close watch on any new guidelines which NCHBC implements and inform the families with all relevant changes.

Additional Educational Requirements

- A player that has participated in a graduation ceremony is not eligible to participate at the National Christian Homeschool Basketball/Volleyball Championships.
- To be eligible for participation in the National Christian Homeschool Basketball/Volleyball Championships, a player must be homeschooled continuously from October 1st to the beginning of this year's tournament.

Additional Non-Educational Requirements

- A player must live at home with his/her parent, legal guardian, or legally responsible person (in the case of foster children or other family hardships) in order to be considered Homeschooled.
- A player cannot be married.
- A player must live within a 100-mile radius of the team's practice facility in order to participate in any NCHBC Championships or tournaments.

Eligibility for Regular Season/Grade Declaration

A homeschooled boy or girl that is at least the minimum age allowed by the HHA sport he/she is participating in, but not older than 18 years of age on September 1, is eligible to play that sport during the upcoming regular season.

Grade Declaration Guidelines

HHA requires that parents declare a grade for their children according to the following guidelines:

AGE ON SEPTEMBER 1:			
Ages 13 and younger	Age 14	Ages 15 to 18	Age 19
Player must declare 8th grade or younger	Player can declare 8th grade or 9th grade	Player must declare 9th through 12th grade	Player is over age limit and cannot play.
A player that declares 9th grade may not play in a game against a Junior High team.			
A player that declares 9th grade has 4 years of high school eligibility. Once a player has declared 9th grade academically, he/she cannot, in the future, declare a grade lower than 9th grade.			
A player that is 13 or 14 and declares 8th grade or below may be allowed, at the discretion of the Director for that sport, to participate on a high school team without sacrificing a year of eligibility. Once a player participates in a high school graduation ceremony of any kind, he she/ can no longer compete in HHA sports, regardless of age.			
For more information, please refer to UIL Constitution Section 1478(b)(1)-(4). http://www.uil-texas.org/files/constitution/uil-ccr-section-1478.pdf			

A copy of each player's BIRTH CERTIFICATE must be provided the first time the child plays for HHA and will be kept on file until child graduates or discontinues playing for HHA.
